TERMS OF REFERENCE

For empanelment of Consultancy firms to provide Bid Management and Engineering support services to Bihar Rajya Pul Nirman Nigam Limited (BRPNNL) for participating in bidding process of Infrastructure projects within and outside the state of Bihar.

1. Introduction and Background

- 1.1 Bihar Rajya Pul Nirman Nigam Limited (BRPNNL), a Government of Bihar undertaking working under the control of Road Construction Department. BRPNNL has extensive experience in planning, designing, procuring, constructing, supervising and maintaining bridge and transport infrastructure in Bihar.
- 1.2 Public investment in infrastructure by Central Ministries, State Governments, Public Sector Undertakings, Urban Local Bodies, statutory authorities and multilateral agencies has expanded across a wide range of sectors. This has created a growing pipeline of opportunities beyond BRPNNL's traditional bridge and transport portfolio.
- 1.3 BRPNNL intends to diversify and expand its business portfolio and progressively develop itself as a multidisciplinary infrastructure implementation agency capable of competing for suitable projects within and outside Bihar.
- 1.4 For this purpose, BRPNNL proposes to establish a dedicated Business Development Cell (BD Cell) for systematic identification of opportunities, business intelligence, bid strategy, tender preparation, bid management and post-bid support.
- 1.5 BRPNNL therefore intends to engage an experienced consultancy organization having proven capability in infrastructure business development, tender/bid management, engineering consultancy, commercial analysis and proposal preparation.

2. Objectives of the Assignment

- 2.1 The principal objectives of the assignment are to:
 - (a) identify and develop a sustainable pipeline of infrastructure opportunities;
 - (b) assess BRPNNL's eligibility and strategic suitability for identified opportunities;
 - (c) support preparation and submission of competitive and compliant bids;
 - (d) provide technical, commercial and contractual advisory support during bidding;
 - (e) establish systems, templates, databases and knowledge within BRPNNL so that the BD Cell progressively develops in-house capability.
- 2.2 The Consultant's role shall be advisory and technical. All decisions relating to whether to bid, bid price, commercial terms, contractual commitments, submission, withdrawal or modification of any bid will remain with BRPNNL only.
- 2.3 Engineering, design, project management and execution support shall be provided only against specific written Work Orders issued by BRPNNL and shall not be deemed to be continuous services unless expressly stated in the Work Order.

3. Vision and Target Sectors

- 3.1 The long-term objective is to enable BRPNNL to compete effectively for suitable infrastructure projects across India and to develop multidisciplinary capabilities in selected sectors.
- 3.2 Indicative target sectors are:

Transportation	Urban Infrastructure	Other Sectors
Bridges	Metro Rail	Airports
Highways & Expressways	Smart Cities	Renewable Energy Infrastructure
Railways	Buildings	Industrial Infrastructure, Logistics & Multimodal Parks

4. Definitions

- 4.1 **Applicant** means a firm, company or LLP submitting an EOI in response to this document.
- 4.2 **BD Cell** means the Business Development Cell of BRPNNL proposed to be established and supported under this assignment.
- 4.3 **Consultant** means the Applicant finally selected through the procurement process and has signed the agreement with BRPNNL.
- 4.4 **Client** means any Central or State Government department, Ministry, PSU, Urban Local Body, statutory authority, multilateral agency or other entity awarding a project/work to BRPNNL.
- 4.5 **LOA** means Letter of Award, Letter of Acceptance or Work Order issued to BRPNNL by a Client.
- 4.6 **Secured Project** means a project for which an LOA/Letter of Acceptance or equivalent award document has been issued to BRPNNL and for which the Consultant has provided services under this assignment.
- 4.7 **Work Order** means a written instruction issued by BRPNNL defining the scope, deliverables, timeline and applicable fee for services beyond the base bid-support scope.
- 4.8 **Defined Milestone** means selected bid proposals received separately from each empaneled firm.

5. Scope of Services

- 5.1 **Business Development and Opportunity Identification** - the Consultant shall establish and maintain a structured opportunity pipeline covering Central Ministries, State Governments, PSUs, Urban Local Bodies, statutory authorities, multilateral agencies and other relevant procuring entities.
- 5.2 The Consultant shall identify opportunities at the pre-tender and tender stages, wherever information is publicly or lawfully available, and shall maintain a rolling 12-month opportunity pipeline.

- 5.3 The Consultant shall prepare periodic opportunity reports identifying project name, client, sector, location, estimated value, procurement mode, likely timeline, eligibility requirements, competition, risks and recommended action.
- 5.4 **Bid/Tender Management** - The Consultant shall obtain and review tender documents and addenda; analyze eligibility, qualification thresholds and evaluation methodology; prepare compliance matrices and document checklists; identify technical, commercial, contractual and delivery risks; prepare risk registers; draft pre-bid queries; attend pre-bid meetings; prepare technical proposals, methodologies, work plans, personnel schedules and annexures; assist in preparation of financial proposals using parameters approved in writing by BRPNL; assist in e-procurement submission; and support post-bid clarifications, presentations and negotiations.
- 5.5 **Go/No-Go Assessment**- For each major opportunity proposed for consideration, the Consultant shall prepare a structured Go/No-Go Note covering eligibility, technical capability, financial capacity, relevant experience, competition, project risks, resource requirements, commercial attractiveness, strategic importance and a reasoned recommendation. BRPNL shall take the final decision.
- 5.6 **Knowledge Transfer** - The Consultant shall transfer relevant knowledge, templates, systems, databases, standard checklists and processes to BRPNL personnel and shall support progressive strengthening of the BD Cell's in-house capability.

6. Deliverables

- 6.1 The Consultant shall provide, as applicable, the following deliverables:

Deliverable	Description	Frequency/Timeline
Opportunity Pipeline	Rolling 12-month pipeline	Monthly
Tender Tracking Report	Upcoming/active tenders and key dates	Weekly/fortnightly as required
Go/No-Go Note	Structured opportunity assessment	For each major opportunity
